

Organically cultivated

Organic Mulberry Leaf Powder

General description

Name of the plant **Mulberry**

Botanical name **Morus Alba L.**

Place of origin **Japan**

Form

Dry powder (200 mesh)

Granularity

More than 90% of 200 mesh (75μm) pass

Microorganisms

Common bacteria	Less than 3000CFU/g
Coliform bacteria	Negative

Packaging

Outer packing: cardboard box

Inner packing: polyethylene bag (double)

Net weight: 10kg

Storage conditions

Avoid high temperatures,
humidity and direct sunlight

Examples of usage

"Aojiru" green juice, green smoothie, supplements,
ingredient for dough, topping for cream

Characteristics

It is 100% powder, made without the use of preservatives, colorings or flavorings. The smell is soft, so it is good for blending as well. The product is rich in minerals, especially in calcium and doesn't include caffeine. Through joint research, different active ingredients, the foremost being Q3MG, were discovered in mulberry leaves. The product can be used as an ingredient in health foods or a wide range of other foods as well. (As an ingredient in dough or cream toppings, etc.)

Notice

1. Since it is an agricultural product, the color may vary depending on the harvest timing or for other reasons.
2. In terms of handling the product, we recommend using special protective devices (protective goggles, sterile gloves, etc.)
